Occupying an end (and arguably the best) position within the complex, this spacious and gorgeous town home has undeniable WOW factor. A huge entertaining deck will be centre-stage this Summer and with no side neighbour, you have plenty of room to move and play (with no grass to mow!).

This property has been well-kept with no shortage of tenant demand. Perfect as is, there is also scope to further update which would improve your yield and value.

Location wise, you are opposite park lands, a short walk to Caningeraba State School and just 3min drive from the beach.
