2/7 Trevor Drive, Coombabah

Big, bright and perfect as a low maintenance home or investment, this beautifully kept duplex within a manicured neighbourhood is a real gem. Located just minutes from the water, shops and schools the location is superb. Owner occupied and loved for 13 years this property is now looking for new owners to call it home. Just one of two, it is pet friendly and there is no costly body corporate here (just common insurance).
