

LEASED

12 Bluestone Drive, Carrara

Directly across from a small park and playground, parents will love the fact that they can keep an eye on the kids from inside the property as they play at the park. The cul-de-sac location is tucked away and traffic is limited to the residents that live there. This is a friendly and safe neighbourhood with plenty of kids to make friends with. A comfortable, modern home with many perks await the next lucky resident.
