42 Tansey Street, Beenleigh

With Medium Density Zoning (future development potential) this property offers more than meets the eye. But let's get back to talking about the beautifully presented old Queenslander that offers a 'nothing to do but move in and enjoy' lifestyle. Capturing the charm and character of yesteryear but offering the comfort of modern fittings this is a special property.

Walking in through the French doors you immediately appreciate the wonderful rich timber floors, the really high ceilings and the VJ walls. On top of that, this home sits on a huge 1032m2 allotment perfect for pets, play or off-street parking for multiple vehicles.
